PERMIT CONDITIONS:-NEMA/AGR/54/2015

1. This approval shall be valid for 12 months from the date of issuance and shall not be transferable.
2. This approval is for accessing not more than 50 complete skeletons of naturally deceased *Colobus angolensis palliatus* for examination of the Colobus dental microwear, limb bones measurement and digitization. You shall submit the list of individual *Colobus angolensis palliatus* skeletons collected including age and sex classes and cause of death to NEMA.
3. The access of the genetic resources and its derivatives shall strictly be held at the Ohio State University, Department of Anthropology, Columbus OH, USA and duplicates may be supplied to the Colobus Conservation Limited.
4. You shall ensure that each of the 50 complete skeletons of naturally deceased *Colobus angolensis palliatus* are well treated and preserved using the provided standards and procedures before export.
5. You shall ensure that the basic preparation and analysis of the *Colobus angolensis palliatus* skeletons to good laboratory standards for export and further analysis shall be done in the project location or local institutions; Colobus Conservation Limited. Ensure that the local partner is involved in the identification and preparation of the samples for export.
6. The genetic resource and the derivative shall not be transferred to a third party without the consent of the genetic resource providers and NEMA.
7. The genetic resource and the derivative shall not be used for commercial or profit purpose without understanding from genetic resource providers and NEMA.
8. You shall deposit and keep records of all duplicates of the genetic resources with the relevant lead agency (KWS/Colobus Conservation Limited) and provide evidence of deposition to NEMA.
9. You shall ensure that there is reasonable access by all Kenyan citizens to all genetic resources collected whether such genetic resources and intangible components are held locally or abroad.
10. Ensure that all agreements entered into with respect to access of genetic resources shall be strictly for the purposes for which they were entered into.
11. You shall abide by the provision of the Material Transfer Agreements entered with the providers of genetic resources.
12. You shall furnish quarterly reports to NEMA on the status of research, including all discoveries from research involving genetic resources and/or intangible components thereof.
13. You shall comply with the improvement orders issued by NEMA's environmental inspectors throughout the project cycle.
14. You shall abide by the laws of Kenya.
15. NEMA reserves the right to suspend, cancel, revoke or vary this permit in the event of a breach of the conditions stated herein or any contravention to the Environmental Management and Coordination Act, 1999 and regulations thereunder.
16. Upon the completion of the intended studies, you shall return the remaining genetic resource to Kenya and deposit with the relevant lead agency (KWS) and notify NEMA of the return.
